PRESIDENT'S REPORT

Dear Members

I present to you the 2012 Annual Report.

2012 has been an interesting season with a number of highlights.

Importantly, we fielded 3 extra teams (U12 Girls, U13 and Superules). It is extremely pleasing to see the club grow and it will help us guarantee our future. A thorough review of the Football department was undertaken at the very start of the year, which has further increased our professional standards.

On the ground, I would like to congratulate all players that wore the jumper with pride this season. The U14 played a good Finals campaign and the Seniors were back in the Final series at the end of the season, which is where we belong.

Your club's financial position is strong and stable, and yet the financial result for this year is disappointing. The key reason is a shortfall in sponsorship revenues. Although we have grown sponsor revenues substantially in years past, we will need to do better next year.

I congratulate Ben Hedditch with his Life Membership. The Club Person of the year was an all-female affair and deservedly so: Leanne Andrew and Tracy Janetzki were very worthy winners. Next season, we expect to build new coaches boxes and new umpire change rooms at the end of season 2013. Accommodating our growth is our biggest challenge at the moment. With more and more Juniors joining the club, we will need to find a second ground to train and/or play.

I would like to conclude by thanking all volunteers in 2012, on and off the ground, for their time and effort. I hope you agree it is most rewarding to be a part of this club and its future.

I look forward to seeing you in the Ramon Vila Pavilion in 2013!

Treasurer's Report

Dear Members,

I present to you the 2012 Financial Report for the Sunshine Football Club.

Financially we have had another fairly good year with all areas of our operations running to budget or close to.

This year has been a very difficult one in relation to chasing up monies owed from those who had committed to providing revenue to the club at the end of 2011 or into 2012. For all those that helped in following up all our different revenue lines I am extremely grateful.

As always, certain areas did fall away and these are the areas we need to monitor more closely in 2013. We need to continually alter our operating model in order to maximise our revenue and decrease our expenses and along with the committee this is something we will do in 2013.

In closing I would like to thank all our volunteers for their time and effort and those many members who contribute to the club financially in different ways. Without you we would not be able to operate in an increasingly challenging market.

I look forward to working with you again in 2013.

Junior Administrators Report

Another season gone and we have continued to take steps forward both on and off the field starting with the Kanga Academy last November, which helped increase our numbers and saw us field an additional team, the U13's. Our U12's and U14's played finals football, the U16's just missed out on the finals and the U13's battled hard all season so all in all an improvement from last season.

I would again like to thank the U13 coach Graham Hudson who stepped in at the last moment, all the parent helpers and last but not least the entire U13 playing group. I know how hard it was for you guys, and although the results didn't necessarily show this but you did you club proud. The way you carried yourselves throughout the year was way more than we could have asked. I just hope that one day you can reflect back on this season and remember that no matter what you are dealt in life, never, ever give up.

Our club relies on the time and effort of volunteers from the president down to the water person in the U9's, so for all of who helped out in any way, a big thank you. No matter how big or small you think your role may have been, without your help some sides may not have gotten onto the park and kids would have missed out playing football.

As we continue to push forward we are about trying to get as many kids playing our great game, Australian Rules Football, and especially wearing the Blue & Gold. With the right coaches in place, strength of numbers and continued improvement the club will go from strength to strength and results will start to look after themselves.

Even at these early stages of preparing for 2013 our numbers are showing that we may need to look at additional team on top of what we fielded this year so we will be looking for even more help than ever before. With this in mind I ask that during the off season you have a think about what you can offer next season. We will be looking for coaches, team managers, trainers and any other on field role so any help you can be provide will be appreciated and it would be good to get the support roles (runner / water person / boundary umpire / goal umpire) in place prior to round 1. The other roles we will need in place well before this, as some training (which the club will fund) may need to be undertaken.

Looking forward to seeing you all back next season.
