## Presidents Report 2014

Firstly, I would like to say, that as usual, I always enjoy time that I spend at, and time involved with the club. This year has been no exception. We have always had great people and culture at the club, and this has continued again this season.

Whilst the seniors had some disappointing results and missed the finals, there was still plenty of stuff happening on field which was very positive for the club. Our reserves made the grand final for the second consecutive year, showing again the great depth of our club and our playing group. Congratulations to Nathan and his team.

We managed to field a merged under 18s team this season with West Footscray. And while the on field results were poor, it was a positive step to regaining our own stand alone under 18s team, which will happen next season. Under difficult circumstances Chris worked very hard, and his boys showed a lot of character and maturity.

Junior numbers across the board stayed strong. We thank Shaun and Tracey Janetzki for their tireless efforts this year to run five teams. Congratulations to all junior players and officials for their efforts this season, especially those teams that managed to make finals, including the under 14s who came from behind to win a thrilling grand final. There will be some wonderful memories for those players and everyone who was there. Congratulations. Well done also to those players who played interleague football this season.

Well done to Russell Douglas who won the best and fairest for a record fifth time. Russell was also named in the WRFL team of the year. Well done also to Luke Hill and Tom Millar who represented the WRFL team that competed in the Metro league play offs earlier in the year.

We must also recognise the great work of Brett Jacobs, who was the coach of the WRFL interleague team. Brett took the decision to step down as senior coach to spend more time with his young family and balance that with his work commitments. From day one five years ago, Brett has been a great asset to the club, and worked tirelessly twelve months of the year, to make this club stronger on field and a great place to be off field. We think he achieved great success in his goals, playing regular finals and making a few preliminary finals. We sincerely thank Brett for his efforts, and future coaches and players will reap some of the rewards of his hard work. We should also take this opportunity to commend the efforts and dedication by all players, coaches, trainers and our extensive support staff.

We also unveiled Brendan Hallinan as the new senior coach, and everyone at the club will continue to work hard to ensure that this will be start of a new success filled era. Welcome to the club Brendan, Jen and the very new Eloise Maeve!

Congratulations to Xavier Hayes and Peter McInnery on receiving Life Membership. The highest honour at the club to a couple of very worthy people.

Congratulations must also go to Rob Andrew and Tracey Janetzki who were both judged deserved recipients of the prestigious 'Club Person of the Year'. Two very worthy winners, who always give their best efforts for the club.

We have managed to maintain our healthy financial position. I thank all our Sponsors, Coterie members, 200 club members for their contributions to keeping us going strong. Thanks also to the treasurer Mark Grech for his great work in running the financial side of the club, as well as all the other things he does along the way. Everyone at the club, has benefited, and has had their life made easier by the continued, unseen efforts that Mark continues to give to the club.

Our new umpires rooms and storage areas will be great asset to the club next season.

I congratulate and thank the Committee and all club volunteers on their efforts and achievements this year. Their hard work, creativity, inspiration and selfless dedication keep the club and its culture moving in the right direction.

The Sunshine Football Club is a special place. Where football skills are acquired and life skills are learned. Where kids connect to their local community. Where life-long friendships are made. Long may it continue. Lets stick together and work hard in season 2015 and beyond to get the on field success that we all crave and deserve

Go Kangas

President

## Juniors Report 2014

Firstly thanks to all of the parents and friends you who helped out during the season, whether this be a match day role,(on & off field), washing jumpers, or helping out in the canteen of a Friday Night. Every little bit helps and we could do with more help next season. To all of our coaches and assistants and helpers at training, thanks for giving up your time to enable the juniors of our club to play each week. Without you guys we would have to turn kids away and pull teams out, which is something I never want to do.

Our current batch of U9 players showed steady improvement under the watchful eye of Colin Green, we are fortunate that We have someone like Colin who enjoys coaching the younger players of our club year in and year out as I imagine it would be trying at times.

Our U11 group saw our clubs first Female coach in Tanya Bramwell. Some may have questioned this appointment but having known Tanya for a few years and her knowledge and love of the game I knew this group would be in good hands. They made a preliminary final and lost in what was a hard fought game. They can "**ALL**" be proud of their efforts as all of the club was. They have come along way since their first encounter with Wyndham Suns earlier in the season, and on top of that a few other heavy losses to them during the year for them to turn that into a 4 goal loss was a sensational effort. Hold your heads high and use this to drive you further next season.

Our U12 group didn't see the success they enjoyed last season, however they were up a division this year from C to B grade. They won their first game against the side that they lost the grand final to last year, and extracted some revenge there, but that was to be their only win for the season. In saying that I believe they have learnt more about themselves and more about their football playing against better opposition rather than being the big fish in the small C grade pond. It is easy to win week after week, it is a lot harder to front up knowing that you will probably lose, but to their credit the team guts it out all year. Their improvement will only be seen next year, they will all be a year older, bigger, stronger and hopefully wiser so I am sure we will see the benefits from this year's hard slog.

U14Group - Premiers 2014 – What a great result for our club, it has been 8 long years since we last won a junior premiership. The funny thing is when you look at it most of the U14 side on Sunday would not have yet played their first game when we last tasted success back in 2006. A huge congratulations to the coaching staff, parent helpers, and all of the players in the squad. There may have been only 25 on the ground on the day, however you were all part of the journey and very much a part of the premiership. You guys are now etched in our club's history and your photo will be on display in the club for years to come. Now I am sure as you look back over this season to the times when the coaches sent you on yet another "lap", or "off for a run" instead of cancelling training when the ground was closed you didn't think about the method that was behind their perceived madness. I am sure this extra work on your fitness enabled you guys to dig deep and push yourselves to the brink and run over the top of your opposition as you had been there before and you were more than capable of doing it again. So next preseason you will know what it is going to take to improve even further.

Our U16 group probably frustrated the life out of coaches Jimmy and AK, as they had the ability to probably contest the grand final, but at different stages each week they took their foot off the pedal and paid dearly. Either by giving sides 4 – 5 goals start or dropping off after half time was the main contributor to them missing the finals. They had the ability and it showed at times against all sides that played finals, if they played 4 quarters week in week out, they probably would be where the U14 group is now. I am sure the boys realise this and hopefully they get to preseason training and put in a solid work load and keep their heads in the right space during the year. I am sure they will bounce back. This is for both sides of the team, those that move up to the U18's and those that remain at U16 level.

Finally next year – Season 2015 will be the last that Tracey and I will be involved in the junior section of the club as our youngest son will move to the U18 group in 2016, so we are looking for another couple or group to take our role over for 2016 and beyond. Now in the role that Tracey and I play as administrators we may not see all training sessions, see all games, but we take a keen interest in how you all progress each year. In regards to the U14's we have seen most of you come through our club from the U9's until today, and to see how you have improved over the years, premiership or not, that is reward enough for us. For the group out of our U16's that will progress move to the U18's next year, boy we have seen some changes here. For the better I am glad to say.

Our club is about shaping and developing young people as much as it is teaching and enhancing the skills of our great game, and from what I see year in and year out, we must be doing it right.

Shaun Janetzki  
Junior Administrator

## **Treasurers Report 2014**

Dear Members,

I present to you the 2014 Financial Report for the Sunshine Football Club.

Financially we have had a sound year and once again the club is in a good position heading into the 2015 season. It should be noted that if we spend the time and effort concentrating on specific areas of fund raising and cost saving we can do amazing things. The challenge, as always, is to make sure we spread ourselves across all areas of revenue and expenses in order to make sure we are meeting our budgeted targets.

The cost of putting teams on the field every year is increasing. Whether it is ever increasing insurance costs, being forced to purchase more football equipment, increased league administration costs or player payments, every year we are requiring even more money just to survive.

As a club we need to continually work harder to attract sponsors and to keep happy the ones we already have, increase our Coterie/200 Club participation and provide functions that are not only well attended and properly run but are also a good revenue spinner for the club. We need to continue to look at areas that help us cut costs and look at ways at attracting more people to the club to use our wonderful facilities.

I would like to take the opportunity to thank those that helped in managing all our different revenue lines, on behalf of the club, I am extremely grateful. Your contribution does not go unnoticed!

As always, we need to work on our operating model in order to maximise our revenue and decrease our expenses and along with the committee this is something we will strive to do again in 2015.

In closing I would like to thank my fellow committee members and all our volunteers for their time and effort and those many members who contribute to the club financially in different ways. Your hard work and support goes a long way in the way we function.

I look forward to working with you once again in 2015.

Mark Grech  
Treasurer

## Best Club Person – Dick Hume Memorial Trophy

Rob Andrew – Our asset manager, our chief dishwasher, and our maintenance man, filling many roles, Rob was a worthy winner of this award.

Tracey Janetzki – A second time winner, Tracey has been a long time super efficient junior organizer, and this year was one of her best yet!

Congratulations to both these guys on receiving this most prestigious award.

## Most Valuable Player - 2014

Russell Douglas was voted by his peers as the MVP at Sunshine Football Club in 2014. This is the third time Russell has won this award, the first was in 2006 and here we are eight years later and he has won it again. Russell had another outstanding year winning the club's Best & Fairest award and polling the most votes as a Sunshine player in the Western Region Football League Best & Fairest, the Barry Priest Medal. Russell is the only Sunshine player to have won the Barry Priest Medal (2007) and has now won the senior Best & Fairest award at the club a record five times. Congratulations to Russell on another magnificent season.

## Life Membership Awards

At the Annual General Meeting held in November 2013, two names were put forward to the attending members as being worthy of a Life Membership Award for their service to the club. Both nominations were subsequently elected as Life Members.

**Xavier Hayes** commenced his service with the club as an Under 12 player in 1993. He played his way through the various age groups and started playing Open Age football in 2000 and although getting towards the end of his career, he still managed to play 11 games in the Reserves in 2014. In total he has played 236 games for the club and with the exception of one year has been a member of the Committee every year since 2005. Among other Committee tasks, Xavier's major responsibility during the football season is to oversee the operation of the bar, particularly at home games.

**Peter McInnery** commenced his service with the club as an Under 14 player in 1968, following in the footsteps of his brothers Brian, Tony and Geoff. He reached Open Age level in 1974 and was a nifty half forward flanker until a serious knee injury forced his retirement. Peter played in two Premierships with the club and was on the half forward flank when the club won the A Grade Premiership in 1976. Peter is still a strong supporter of the club and takes a keen interest in watching his two sons Jesse and Ben playing in the seniors. He also took on the responsibility of Team Manager for the senior team this year.

Congratulations to both Peter and Xavier on being awarded Life Membership

During the current playing season which was held between April and August, a total of 66 players were identified as fielding a team and out of the 66 players, 9 were new to season 2014.
