## PRESIDENTS REPORT

Let me begin by saying that I have always enjoyed the time that I spend at, and time involved with the club. And my second year as President has been no exception. We have always had great people and culture at the club, and they continue to make this club a great place to be around.

The seniors had a very disrupted start to the season and had some early disappointing results, but improved greatly through the season to only just miss the finals. The boys adapted to Brendan's new styles and methods, as well as a few new players, and things are looking very positive for the club. Our reserves made the grand final for the third consecutive year, and while they missed the elusive flag again, it showed again the great depth of our club and our playing group.

Congratulations to Nathan and his team.

We managed to field a standalone Sunshine under 18s team this season, for the first time in three years. The boys enjoyed the season and won a few games, with a couple of losses that should have been wins, they too only just missed the finals. Well done and thanks to Chris Dynon and the team on their efforts this year.

Junior numbers across the board stayed strong. We thank Shaun and Tracey Janetzki for their tireless efforts this year to run five teams, and especially the efforts over the last six and more years, as they wind back their official duties. A magnificent effort and one the club is truly appreciative of. Congratulations to all junior players and officials for their efforts this season, especially to our under 13s who had a great final series and became premiers. The team was well served by Atali Patrice who won the competition medal, as well as kicking five goals in the grand final. There will be some wonderful memories for those players and everyone who was there. Congratulations. Well done also to those players who played interleague football this season.

Well done to Jake Allen who won our senior best and fairest for the first time. Jake was also rewarded for his season with a spot in the WRFL team of the year, along with the skipper Macauley Goring. Jake and Macauley also represented the club in the WRFL team that competed in the Metro League play offs earlier in the year.

Congratulations to Janine Hilton and Jonathon Frost on receiving Life Membership. The highest honour at the club to a couple of very worthy people.

It happens regularly at our club, but we have two more names to our 300 Club. Congratulations to Jimmy Nardella and Ricky Martin on reaching a great milestone. A great achievement! We also add another name and double the membership of our 400 club! A great show of resilience, loyalty and dedication, love of the club and team mates, and a heck of a lot of determination, is the only way you would be able to play 400 games at one club, and Brad Connor, who this year joined Darren Green in the 400 club, has plenty of all these attributes. Congratulations Brad on a magnificent achievement! Truly remarkable!

Congratulations must also go to Mark Grech who was judged the deserved recipient of the prestigious "Club Person of the Year". A very worthy winner, who probably deserves it every year, and always gives his utmost to the club.

Earlier this year, the WRFL saw fit to honour Mark with Life Membership of the WRFL. This is not something they give away lightly, only to legends really, and Mark became just the second person from our club to receive this honour, behind another club legend Marj Laffin. They awarded this on the basis of his work for the Sunshine YCW/Sunshine Football Club, and by extension of that, his work for the local football community in general. Mark, as you all know, has been the hardest worker at this place for the last 10-12 years, if not longer. He played over 300 games for the club, and was a key FDFL/WRFL midfielder for many years. He took on the presidency of the club in lean times, in terms of assistance available, and took on many jobs to great effect, and in my opinion, almost singlehandedly kept this club in a strong position on and off the field. His many roles at the club, and his commitment to the job at hand are just part of the reason the WRFL saw fit to recognise Mark. Warm congratulations again Mark!

We have managed to maintain our healthy financial position. I thank all our sponsors, coterie members, 200 club members for their contributions to keeping us going strong. Thanks again to the Treasurer Mark Grech for his great work in running the financial side of our club.

I congratulate and thank the Committee and all club volunteers on their efforts and achievements this year. I thank them for their hard work, creativity, inspiration and selfless dedication keep the club and its culture moving in the right direction. But I feel we might be at a crossroads in terms of the future of our football club. Our clubs great past, and history of strong administration etc, is falling on the shoulders of too few. And if we want to remain the great club that we are, and improve across the board to become one of the premier clubs of the region, and work towards our goal of the ultimate success of a premiership, and continued success beyond that, then we need more of our members and past members and new members to become involved. Being involved in the smallest capacity can make a difference. I urge you to think about what you can do for your club, and then urge you to get involved in the preparation of the long term future and success of this wonderful football club.

The Sunshine Football Club is a special place. Where football skills are acquired and life skills are learned. Where kids connect to their local community. Where lifelong friendships are made. Long may it continue. Let's stick together and work hard in season 2016 and beyond to get the on field success that we all crave and deserve.

Go Kangas

Craig Ryan  
President

## JUNIORS REPORT

Firstly, thank you to all of the parents and friends who have helped us out during the season and over the last six years that Tracey and I have been Junior Administrators. I include Tracey in this title as without her assistance I could not have done the role justice. These roles may have been a match day role (on and off field), jumper washer, fruit provider, the list goes on, I don't want to name names as I will only forget someone, but you all know who you are and your help is appreciated. Without what seems to be a little/minor role covered, it only means that someone else will have to do it, or juggle a number of jobs to ensure our kids can play football. To our coaches and training assistants, thanks for giving up your time to coach our kids, without your assistance our kids would not be able to develop their skills and play each week. Maybe next year as the U13 group move to U14 where football starts to become a little more serious, we may see Alex Weston finally take a training session in the rain, I am sure the kids would want to – only time will tell.

Congratulations to Jason Nguyen from our U16 group who finished equal 5<sup>th</sup> in the WRFL Best and Fairest in U16C, and to Atali Patrice for winning the U13 WRFL Best and Fairest after being bridesmaid for a couple of years. These are both outstanding achievements when you take into account the number of footballers that play in each grade each week.

Also a special mention to the 6 boys who ended up playing with North Footscray this season as we could not field our own U14 team. I am glad that it all worked out and North Footscray looked after you, you are still a part of our club and I am sure everything possible will be done so that we can cater for you next season.

Our U9 group saw the introduction of a new coach to our ranks, Brenny Lawson, and a new team manager in Kirstie Prentice. Brenny, being a big kid himself, fitted into the role well once he was able to work out how to control the kids. Timing was also good for Brenny with a couple of senior or ex senior players as parents/helpers. This can be a hard group to coach as it is a balance between fun and learning skills of our game, too much fun and kids don't learn as much as they should, not enough and training becomes like a classroom where it is easy to get distracted or lose interest. By all accounts I believe Brenny was able to get this right, and in the end I am not sure who had more fun Brenny or the kids.

Most of the U10 group this year had been coached by Colin Green when they were in U9's the year before, and again we saw steady improvement in the group throughout the season. There is no scoreboard, but we always knew when they had won, and there were more reported wins than losses so that should hold the kids in good stead as they progress to the competition age group in U11.

Our U12 group did not see the success they saw the year before when the U11's made the preliminary final, but after losing some players and picking up some new ones it took a while for the kids to get to know each other and come together as a team. They had a few wins and were competitive in most games, thanks to Brian Hocking (Scratcher) for taking this group on and passing on his knowledge. The scoreboard may not have shown the results we wanted, but it is not always about winning, it is how you play and what you learn. I believe this group came a long way from where they started and they will be better for it next year.

Our U13 group – Premiers, a great result for our club and especially all involved with this group, hopefully this removed the memories of a grand final that got away 2 years ago in the U11's. A huge congratulations to the coaching staff and helpers, reward for all your time and efforts. We have seen this two years in a row now, nothing better than seeing how the kids react when the siren goes, it makes what we do all worthwhile. We are not all about winning, but it sure tastes nice when it comes our way. Yes, our kids did excited, as you would have expected, but they showed a tremendous amount of respect to how the opposition must have been feeling as most of our kids had been on the losing end before. They should be congratulated for this. Like the U14's the year before, this group has now been etched into our clubs history and their photo will be on the club wall for the rest of time.

Our U16 group, like last year, probably frustrated the life out of Luke Woods at times, they showed plenty of potential but at times could not put that into a four quarter effort on game day. In saying that we had a few new players this year, a couple returned after a few years off and the start of the season they weren't under any pressure in U16D as they won games without really breaking into a sweat. We probably cost this group a premiership, but we had to move up a grade as it wasn't doing their development any good where they were. They were competitive at times, but as they found out it takes a four quarter effort to win a game. One of the better games they played was their last home game against Werribee, who turned up thinking they would have an easy win and our boys nearly grabbed the chocolates, but ended up falling just short.

We are not sure what the future holds for this group with WRFL going against our wishes and we believe that of the other clubs (although they have not spoken up as yet), in changing the age group to U17 will stop the natural progression of players to our U18 group which is now U19.

Tracey and I may be stepping down from our role, but we will be around to assist whoever takes over from us. I know we are in a good place by the quality of young men that complete our junior program each season (progress to what was U18). This is a testament to our coaches and the quality people we have around our club, as in the world we live in today with all the challenges that life throws up, winning isn't always everything, teaching life skills and developing young people is.

Finally, next season to make life easier on our new administrators, remember when something needs to be done, don't be afraid to put your hand up and step forward to offer your assistance, you will always get any help you need to get the role that you have taken on done. Please don't leave things for someone else as there is no-one at our club with the name someone.

Regards,  
Shaun Janetzki  
Junior Administrator  
And

## TREASURERS REPORT

Dear Members,

I present to you 2015 Financial Report for the Sunshine Football Club.

Financially this year has been a lot more difficult than in previous years and we need to make small changes to the way we operate to put the club back into a good financial position for the 2016 season and beyond.

As I had stated last year, we need to spend the time and effort concentrating on specific areas of fund raising and cost saving in order to get us back on track. The challenge, as always, is to make sure we spread ourselves across all areas of revenue and expenses in order to make sure we are meeting our budget requirements.

The environment we are playing in means the cost of putting teams on the field every year is increasing, both seniors and juniors. We are being forced to purchase more football equipment from the leagues suppliers and with the increasing league administration costs and player payment requirements we need to work on bringing in more profit year on year.

This year we had a few sponsors pull out during the season and Coterie/200 Club participation did not increase to the numbers we had anticipated. We also had a few functions that did not bring in the revenue we had budgeted for. Our bar profits are also not at the levels we would hope for, which is a sign of the times. As a club we need to attract new sponsors, increase our Coterie/200 Club participation and have functions that are good revenue spinners for the club. We need to continue to look at areas that help us cut costs and look at ways of attracting more people to the club to use our facilities that we continue to improve year on year.

I would like to take the opportunity to thank those that helped in managing all our different revenue lines, on behalf of the club, I am extremely grateful. Your contribution does not go unnoticed!

As always, we need to work on our operating model in order to maximise our revenue and decrease our expenses and along with the committee this is something we will strive to do again in 2016.

In closing, I would like to thank my fellow committee members and all our volunteers for their time and effort and those many members who contribute to the club financially in different ways. Your hard work and support goes a long way in the way we function.

I look forward to working with you once again in 2016.

Mark Grech  
Treasurer

## WESTERN REGION FOOTBALL LEAGUE REPRESENTATIVES – 2015

A highlight for any footballer is to be selected to represent the league in competition against other leagues, as this is part of the pathway to the AFL. Sunshine Football Club has a long list of players who have represented YCW, FDFL and WRFL going back to the 1960's and the following players were selected in 2015 to join that illustrious group.

**Open Age**            Jake Allen and Macauley Goring  
**Under 16**             Brayden Maynard  
**Under 13 (Div 2)**   Riley Kennedy

## LIFE MEMBERSHIP AWARDS

At the Annual General Meeting held in November 2014, two names were put forward to the attending members as being worthy of a Life Membership Award for their service to the club. Both nominations were subsequently elected as Life Members.

**Janine Hilton's** involvement with the club began when she followed her brothers down to the club during their playing days. That involvement eventually ended up in meeting and later marrying her husband Jeff who was a senior player at the club. In the early days, Janine was very big on the social side of things, organising player functions, get togethers and fundraisers for the club. As Janine and Jeff started a family of their own, she assisted with the canteen doing Thursday night meals, helped with sponsorship and merchandise and was always there when needed. She also worked tirelessly on the Junior side of the club. Once her eldest son Jack moved through to the seniors she then moved to help with the fundraising, sponsorship and merchandise. It was only natural that she would end up where she began and that was the social aspect of the Club.

**Jonathon Frost** was recruited from Albion in 1997 starting in the U16's. He played as a forward in his early years, kicking bags of goals in the U18's and when making up the numbers in the reserves. Frosty has now played 14 years of open age football and was lucky enough to lay in the 2008 Premiership with some good friends and was also runners up in the 2014 season. Along with his 308 games for the club, he has won a Most Improved award, Senior Coaches award and of course the Footballers gift. Other than his football achievements he also served on the committee from 2003 to 2007. He is a financial supporter, regular on the social scene, always a lending hand and a friend to most.

Congratulations to both Janine and Jonathon on being awarded Life Membership.

## FOOTBALLERS GIFT – 2015 GEORGE EVANS HANDICAP
