PRESIDENTS REPORT

Another football season has drawn to a close, and another year of great work by our wonderful crew of volunteers and club members. On field, there were no premierships to celebrate, but there were some great efforts by all teams at various times throughout the year, in both juniors and seniors. The club spirit and the sense of club and family remained strong, and is one of the clubs great features, and one of the reasons I have enjoyed my time as president, and my time spent at the club, spent with club people. We have always had great people and culture at the club, and they continue to make this club a great place to be around.

The seniors had a great start to the season and early on a spot in the finals beckoned. Some injuries and a loss of confidence led to a long mid-season slump, before finishing strong again and just missing the finals. The coaching staff and leadership group remain strong and focused on the long term goal, and we are already looking towards being back in the finals in 2017. There is plenty of on field development of young players and introduction of new and exciting players which augers well for the future of the club. Thanks to Brendan and his team on their efforts this season. Our reserves routinely make the finals, and did so again this year, but unfortunately didn't go as deep as previous seasons. This again shows the great depth of our club and our playing group. Congratulations to Nathan and his team.

After fielding our own under 18s team in 2015, it was most disappointing not to back it up this season. The change of the competition to an under 19s competition meant we had fewer eligible players and we were unable to come up with required numbers. Most of those who were eligible stuck around the club and tried their hand in the reserves and senior grades and more than held their own. There were some great performances and this season will hold these young men in good stead in their footballing future. The club thanks them for their efforts this year, and we are looking forward to our own under 19s team in 2017 under the guidance of Michael O'Keefe. Junior numbers across the board stayed strong. Thanks to all junior players, coaches and officials for their efforts this season, including Adrian Djatchenko and Brendan Acreman for their amazing efforts with the Auskick group this year.

Congratulations to those players who represented the club playing interleague football this season, as well as those who finished high in the placing's of the competitions best and fairest awards. Congratulations to all trophy winners, and participants, all coaches and officials, and everyone for being part of the club, and making it a great place to be around.

I would also like to thank the tireless Tracey Janetzki for her efforts this season in assisting in the junior operation and lending her years of experience to those around her.

Well done to Matthew Hutchesson who won our senior best and fairest for the first time. Matt was also voted by the players as the clubs "most valuable player" and was awarded the Michael "Sticka" Redford award for the MVP. They are just and worthy rewards for a great season from a player developing into one of the competitions best midfielders.

Congratulations also to Daniel Castellano, on firstly making the team, and also playing well in the interleague match representing the WRFL. Danny was then also selected for the Victorian Metropolitan team representing the WRFL in the Victorian championships. Great effort and well deserved Danny!

Congratulations to our three newest life members, Tom Millar, Ricky Martin and James Nardella. It is the highest honour that the club can award, and again as always, it was correctly awarded to some very worthy people.

In a regular turn of events, we get to add another name to our 300 Club. Congratulations to Cory Connor on reaching that amazing milestone. A great achievement!

Congratulations must also go to Larna Connor who was judged the deserved recipient of the prestigious 'Club Person of the Year'. A very worthy winner, who worked tirelessly in her first year on the committee, setting the standard for our social scene and club functions, among many other things! Congratulations Larna!

On the financial front, and for the second year running, we finished slightly in the red. This is a worrying trend and one that the new committee, and everyone at the club needs to work hard on to reverse next season and beyond.

I wish to thank all our Sponsors, Coterie members, 200 club members for their contributions to keeping us going strong. Thanks again to the treasurer Mark Grech for his great work in running the financial side of the club.

I thank the Committee and all club volunteers on their efforts and achievements this year. I thank them for their hard work, creativity, inspiration and selfless dedication to keep the club and its culture moving in the right direction.

I also wish to thank the senior members of the committee, or the executive, for their support of me during my time as president. Some days this position was just made easy due to the hard work and dedication of Mark Grech, Michael Argus, Kristy Connor and Xavier Hayes as well as by many other club mainstays, who weren't necessarily part of the committee.

2016 marks the 40th anniversary of my Dad bringing me down to play under 11s for the Sunshine YCW Football Club, a place that has brought me all of the good things in my life, most importantly my wife, family and my best friends. Thanks to all who have been part of the journey. I am not going away, and will continue to work hard for this great club behind the scenes, and support the new president and committee.

I feel we might be at a crossroads in terms of the future of our football club. Our clubs great past, and history of strong administration etc, is falling on the shoulders of too few. If we are to improve across the board to become one of the premier clubs of the region, and achieve our ultimate goal of a premiership, and a premiership run, then we need more of our past, current and new members to become involved. Being involved in the smallest capacity can make a difference. I urge you to think about what you can do for your club, and then urge you to get involved in the preparation of the long term future and success of this wonderful football club. This club is a special place where football skills and life skills are acquired. Where kids connect to their local community and life-long friendships are made. Long may it continue. Let's stick together and work hard in season 2017 and beyond to get the on field success that this club so deserves.

Go Kangas

President

JUNIORS REPORT

Firstly, thank you to all of the parents and friends who have helped us out again during the season. I wasn't planning on being involved again, but with the age change from U16 – U17 that gave us another year with Dean in the junior ranks. Besides this I could not sit back and let Craig, our President, take on another job.

We didn't have anyone stand up last year ready to take the role of Junior Administrator on. We really need someone to do this next year as Dean will be moving into the U19's and with that, our days of being Junior parents are over. It doesn't matter what you think you can and can't do, if you have some time to spare I am sure we can find a role for you, this may be on the administration side, or on match days. We are always screaming out for helpers, and it would make our team managers jobs much easier if people rushed at them with hands up ready and willing to help, rather than the team managers chasing people down each week. They have enough to do on match day without worrying about trying to find helpers. Also next year on match days we will be looking for someone / a group, to help set the ground up at the start of the day (pads on goal posts / stretcher out / siren & chairs for time keepers / bins out, etc) and then pack this away at the end of the day.

Our club runs solely on the efforts of volunteers. The more people are prepared to help, the less work we all have to do. Without help going forward, your sons or daughters may not be able to take the field. Unfortunately this is the where we are at due to the lack of help and this is something for you all to think about over the summer break.

Now in regards to the past season I would like to congratulate all our Interleague Representatives, and those who may not have made final squads take pride in the fact that you were selected to train given the numbers of juniors in each age group across the league.

Thanks to all of our coaches, team managers, trainers & other match day officials, without you guys we would be lost. A special thanks goes to Alex Weston who leaves us to hopefully enjoy watching his daughter Chloe from the side lines as a parent only after coaching for the last six or seven years.

Congratulations and thanks again Alex, you will be missed.

Our U9 group took a big stride forward this season under the watchful eye of coach Brenny Lawson, not sure who has more fun here Brenny or the kids. I know there is no score kept here but the kids will tell you they won far more games than they lost. Hopefully as this group transitions up the age groups the improvement continues.

Our U11 group under first year coach Raph Kardachi also showed signs of improvement, They may not have won many games but by the end of the year they had started to play some real good team football with the structures and game style Raph was teaching the team starting to show dividends.

Our U13 side also showed improvement, they may not have made finals but they ended up being the best of the rest. In what ended up an uneven comp where the bottom sides never got close to the top sides, but the bottom sides were competitive amongst themselves with our boys coming out on top in these encounters, hopefully the WRFL get their competition structures right next year.

It goes to show how much of a difference there is between 2015 U13 teams and 2016 U14 teams, our U14 side went through the season winless, and the side they beat in the 2015 U13 Grand Final only won 2 games, that were against us. We lost some players to other sports, moving house and a couple that wanted a change, and ended up just having enough to fill the side. A similar situation occurred when this group lost the U11C Grand Final and was promoted to U12B the following season. Looking forward to the resilience in this group shining through next season.

Under returning coach Gerard Dickinson our U17 group made the finals only to be bumped out in straight sets after injuries and suspensions took their toll. The boys had a strong home and away season finishing third on the ladder losing only 3 games for the year. I know they will regroup next season and have another crack whilst some of the boys will move up into our U19 side which we are pushing like mad to get on the park next season.

I will be stepping down from this role and looking forward to helping our U19 group next season, but will be happy to assist and guide whoever takes this role on. I know we are in a good place by the quality of young men that complete our junior program each season (progress to what was U18). This is a testament to our coaches and the quality people we have around our club, as in the world we live in today with all the challenges that life throws up, winning isn't always everything, teaching life skills and developing young people is.

Finally next season to make life easier on our new Junior Administrator(s), remember when something needs to be done, don't be afraid to put your hand up and step forward to offer your assistance, you will always get any help you need to get the role you have taken on done. Please don't leave things for someone else as there is no-one at our club with the name someone.

Regards

Tracey Janetzki
Assistant Junior Administrator

TREASURERS REPORT

Dear Members,

I present to you the 2016 Financial Report for the Sunshine Football Club.

Last year I stated how difficult the year had been financially and this year things have not got any better. I was hoping to be in a better position in 2016 by making small changes to the way we operate to put the club back into a good financial position. We have had some very difficult challenges across both areas of revenue and expenses which has made it difficult to meet our budgeted requirements.

Every year the cost of putting teams on the field in juniors and seniors is increasing. With supplier costs also increasing we need to manage our expenses even more intensely to ensure we are a viable club in the years to come.

This year we attracted a few more sponsors but we also had a few pull out which makes it difficult to move forward with momentum. In 2016, much like 2015, our participation in the Coterie/200 Club did not increase. These are two areas of revenue that we are looking at real closely in 2017. Our functions were well attended but the costs of running such functions is ever increasing so we need to work out what direction we want to move on in this space. Our profits over the bar continue to decline which is a real worry and a real sign of the times.

As stated in previous years as a club we need to attract new sponsors, increase our Coterie/200 Club participation and have functions that are good revenue spinners for the club. We need to continue to look at areas that help us cut costs and look at ways at attracting more people to the club to use our facilities that we continue to improve year on year.

A club like ours does not run on its own. As the Treasurer it is important that I get help across all revenue lines. I want to thank all those members that help manage those particular lines on behalf of the club, I am extremely grateful. Your contribution and help is something I could not do without!

As always, we need to continue to reinvent ourselves to maximise our revenue and decrease our expenses and along with the committee this is something we will strive to do again in 2017. In closing I would like to thank my fellow committee members and all our volunteers for their time and effort and those many members who contribute to the club financially in different ways. Your hard work and support goes a long way in how we function.

I look forward to working with you once again in 2017.

Mark Grech

WESTERN REGION FOOTBALL LEAGUE REPRESENTATIVES – 2016

A highlight for any footballer is to be selected to represent the league in competition against other leagues, as this is part of the pathway to the AFL. Sunshine Football Club has a long list of players who have represented YCW, FDFL and WRFL going back to the 1960's and the following players were selected in 2016 to join that illustrious group.

Open Age	Daniel Castellano (also selected in the Victorian Metropolitan team)
Under 16	Alec Coup & Jayden Hosken-Elliot
Under 13	Lachlan Meilak

Daniel Castellano. Picture: CODY BENCH

Lively forward/midfielder Daniel Castellano had an impressive start to his career with Sunshine Football Club. Recruited from Birchip-Watchem in Victoria's Mallee Region, he was the clubs leading goalkicker with 32 goals in 16 games and finished runner up in the club Best and Fairest. In addition to his club responsibilities, he represented the WRFL in interleague matches and was selected in the Victorian Metropolitan team, only the third player from this club to achieve such an honour. He also gained selection in the WRFL Division 1 Team of the Year.

Congratulations Daniel on an impressive season.

Cory Connor (middle) before his 300th game, with his dad Garry, wife Larna, mum Debbie and brother Brad. (Damian Visentini)

Irrepressible half forward Cory "Chippy" Connor played his 300th game during the season. Having started his career in the Under 10's in 1996, Cory has been a prolific goalkicker over the years and topped the WRFL Div 1 Reserves this year with 47 goals.

Between them, Brad and Cory have played 731 games for the club and neither has plans of retiring.

Congratulations Cory.

BEST CLUB PERSON – DICK HUME MEMORIAL TROPHY

Larna Connor has worked tirelessly this year to produce some of the most spectacular social events the club has held in a number of years. From Family Day to the End of Season Gala, Larna continued to outdo even herself. Her commitment to her role has encouraged our members to become more active in the social scene and also made all of the new members feel very welcome at our great club. We look forward to the functions and events that she has in store for 2017. Congratulations Larna!

MOST VALUABLE PLAYER – MICHAEL REDFORD MEMORIAL TROPHY

As voted by his peers, **Matthew Hutchesson** was this year awarded with the Michael "Sticka" Redford MVP award. This illustrious award tops off a fantastic season for Matthew who was also the clubs Senior Best and Fairest winner. We hope 2017 proves to be another outstanding season. Well done Matthew!

MOST SENIOR GAMES

Tom Millar – 246 games

Tom Millar broke Sunshine's senior games record earlier this season. (Damian Visentini)

Tom Millar was originally recruited from Tyn Tynder near Swan Hill to Sunshine Football Club in 2000 by former coach Ron Rooney. Originally recruited for his cricket ability, Tom has now played for 16 years with the club, married Elizabeth Murphy, the daughter of another club legend (in his own mind) and now has two beautiful children, Harry and Charlotte.

Tom has been a consistent performer in the ruck and forward line for many years and has knocked back many offers to play at other clubs. He won the senior Best & Fairest award in 2008 and 2012 and was runner up in 2004. His peers voted him the Most Valuable Player in 2012 and he represented the WRFL in 2014.

This year Tom played 14 of the 16 games and in doing so broke the club record of most senior games. He has now played 246 games for the club and 235 of those games have been in the senior team, passing Ray Kavanagh's long standing record of 222 set between 1968 and 1983.

Tom is well known, liked and respected throughout the WRFL and is without doubt a true gentleman, both on and off the field.

Congratulations Tom on a magnificent career at Sunshine Football Club. We are all hoping it is not finished yet.

LIFE MEMBERSHIP AWARDS

This year the club inducted three of its current players as Life Members in recognition of their service to the football club.

Ricky Martin started with Sunshine YCW in 1998 only because Albion were unable to field an Under 16 team that year. Since then he has played 316 games for the club and has been a consistent performer over the years. He has represented the Footscray District Football League at under age level and has won numerous trophies during his time at Sunshine. Ricky was also a member of the Reserves Premierships in 2008 and 2011 and in the past few years has been a member of the Committee. While he will no longer be playing football he will still be involved with the club as he is a member of the Sunshine YCW Golf Club. Ricky was also lucky on Presentation Night this year when he won the \$4,000 first prize in the clubs 200 Club draw.

Tom Millar is a country lad from Tyn Tynder near Swan Hill. He came to Melbourne as a University student and found his way to Sunshine Football Club while living at the student hostel in Maribyrnong. In 2000, he played 11 games in the Under 18's and then went straight into the firsts. He now holds the record (235 games) for the most senior games played, a record that could possibly never be broken. Along the way he won the senior Best and Fairest award in 2008 and 2012 and was a runner up in 2004. Tom has also represented the WRFL in 2014. An extremely likeable person, Tom is happily married to Elizabeth Murphy and they live in Monash Street Sunshine with their two children, Harry and Charlotte.

James Nardella started playing with Sunshine YCW in 1995 as an Under 10. By his own admission Jimmy has never been a gifted footballer and has certainly never been a good kick, but his dogged determination has seen him win many awards for his tenacious attack at the ball and his never give up attitude. He has now racked up 328 games for the club, even though he spent 3 years playing at Braybrook. On the night of the Life Membership presentation, Jimmy "Nar Nar" gave one of the most inspiring acceptance speeches ever heard, about the effect this football club had on his early life and personal development and the direction it had taken him in to comparison to where his life could have gone. There was hardly a dry eye in the audience.

FOOTBALLERS GIFT – 2016 GEORGE EVANS HANDICAP

Once again, it was a splendid September day when the club held its Senior Vote Count and Footballers Gift. This year James Nardella won the prestigious race for the second time in his footballing career. Close behind were Shaun Kostizen, Brad Connor and Luke Frahm.
