Presidents Report 2018

As 2018 draws to a close we ponder what could've been in 1st Division. After last year's adulation of making a Grand final and some solid recruiting over summer, the club was primed for the next step. Unfortunately, the year didn't go to plan due to many unforeseen circumstances and we found ourselves missing the finals. With disappointment also comes excitement of the development and success of our junior program where three of our junior teams made Grand finals, performing with passion and doing the jumper proud.

After four years at the helm, Brendan Hallinan stepped down as the senior coach. The committee and the rest of the SFC family commends you on your effort and performance over the years and wish you and your family all the best in your future endeavours. We welcome Adam Contessa to take over the reigns from Barnes and look forward to him moving the team in a forward direction again. Vinnie Smart began his tenure as the reserves coach, and again with the amount of injuries that amounted, he had a fantastic year considering. After a year of development of some of our younger players, I believe next year will be a very positive one for our reserves side.

We were unable to again field a side in the U19's again, however we have just had some great news recently, where the club confirmed Hamish Andrew and Marc Mudford as co coaches for our antipated U18's team for 2019. This is a very exciting appointment and opportunity for the club in going forward. I look forward to working with Hamish and Marc next season.

In the juniors we saw some growth in numbers, which is very positive news and is a credit to the coaches and support networks of the teams. Thanks to all junior players, coaches and officials for their efforts this season, especially to Adrian Djatschenko for his continued support and guidance as a Junior Administrator. Congratulations to those players who represented the club playing interleague football this season, as well as those who finished high in the placing's of the competitions best and fairest awards. Congratulations to all trophy winners, and participants, all coaches and officials, and everyone for being part of the club, and making it a great place to be around.

Recently the club held a forum for parents and supporters of junior players to attend and review the season and look at ways we can improve our junior program. It was attended well and some great ideas were presented. I look forward to working with a newly formed Junior committee in 2019 to continue to grow the Junior program.

Congratulations to our newest life members, Shaun and Tracey Janetzski, and Jenny Schwartz. It is the highest honour that the club can award, and again as always, it was correctly awarded to very worthy recipients. I look forward to working closely with you all again next season.

I wish to thank all our Sponsors, Coterie members and 200 club members for their contributions to keeping us going strong. Thanks again to the treasurer Mark Grech for his great work in running the financial side of the club. I thank the Committee and all club volunteers on their efforts and achievements this year. I thank them for their hardwork, creativity, inspiration and selfless dedication to keep the club and its culture moving in the right direction.

As we look to season 2019, again we put a call out for volunteers and members of the football club to step up and assist behind the scenes where possible. As every year passes it seems the work of committee members increases and the assistance from volunteers reduces. The club cannot continue to rely on the same people to continue to keep the club running, as it is a lot of work can take its toll on them and their families, if there is not enough support. The one thing that Sunshine Football Club always prided itself on was the support of volunteers. I ask that you think about how you can give back to the Sunshine community the way that it has supported you over the years. This is paramount to success of the club over the coming years.

The Sunshine Football Club wishes you a Merry Christmas and restful offseason.

Go Kangas

Juniors Report 2018

Under 9's had a fantastic year under the guidance of 1st time coach Brendan Acreman with Derek Montebello and Matt Fenech as assistants and James Weston as team manager. The dynamics between the 4 coaches worked well particularly to help keep the children engaged by having different voices and being able to split into smaller groups during training sessions. The children had a great year without any issues whatsoever. Parent contribution was great, a roster system set up to spread game day duties between parents worked very well.

Under 11's had a fantastic year making it to the Grand Final, but unfortunately in the worst weather conditions for the season, couldn't match it with Spotswood who were the undefeated team were all year. Congratulations to Will Djatschenko on coming 2nd in the WRFL competition best and fairest. The overall team has plenty of young stars playing great football and were very enthusiastic under first year coach Nick (Froggy) Triplett, who was ably assisted by many helpers. The under 11 group seem really close and had excellent participation number which resulted in a rotation policy that worked very well, unfortunately some players did miss the Grand Final, but to their credit turned up to support the team. Special thanks to team manager Jeremy McCartin for all his efforts this season.

Under 13's Also had a fantastic year making it to the Grand Final, but unfortunately Point Cook Centrals were just too strong on the day. Congratulations to Brodie Chatterton who represented the WRFL in the under 13s Interleague representative team. Congratulations to coach Raph Kardachi, who again had a fantastic year and continues to bring the best out of the kids. Like the u11's, there is plenty of talent in the group and are developing into great athletes. Thanks to Greg Ash in his support role of Assistant coach and special thanks to team manager Mark Kirk for all his efforts this season.

Under 15's - Our u15s merged with Flemington and had a fantastic season, finishing the home and away undefeated, before unfortunately losing 2 of their 3 finals including the grand final. The merger was a great success, enabling our boys to play together with a great group of team mates, coaches and administrators from both clubs. We thank Flemington Juniors for their co-operation, and for the perfect way in which they welcomed and handled our guys this season. We thank in particular from Sunshine, Maryanne Meilak for her role as team manager among many other tasks! Congratulations to all involved.

Under 17's - Again our 17s played as merged team with North Footscray for the second year in a row. While the season didn't produce as many wins as they guys would have liked, there were some great moments, and the boys from the two clubs, as well as some recruits from Caroline Springs gelled well under the coaching of Nathan Wilson. The club would like to thank all representatives of North Footscray for the excellent manner in which the merger was conducted, in particular the work of Shaun Brown, the president of North Footscray, who filled the role of Team manager, again while handling many other tasks. Thanks to all.

In summary, it was a very exciting year for our Juniors. Participation numbers were up in Auskick, U9's, U11's and U13's, so all signs show that we are heading in the right direction.

Adrian Djatschenko did an exemplary job as junior administrator making sure that all coaches and team managers had everything they needed at their disposal and was key to making sure any issues got resolved justly and in a timely manner. Unfortunately, due to family and work commitments Adrian won't be able to continue as junior administrator into 2019. We thank Adrian for his contribution this year and in previous years as Auskick coordinator.

Next season we will see a mandatory change to the age group structure within the WRFL competition. The structure will move to an "Evans" age group structure (u10, u12, u14) however the u9 competition remains. This means the majority of teams will look similar, however this structure introduces an extra team (u10) which we need to consider and what works best for the club.

Brendan Acreman and Adrian Djatschenko

Treasurers Report 2018

Dear Members,

I present to you the 2018 Financial Report for the Sunshine Football Club.

While we did not have the success on the field we would have liked following 2017, this year has been quiet successful off the field when it comes to the club's financial position. But to be in this position takes an enormous amount of work and determination and sometimes that comes at a cost. It is something that we need to continue to be weary of. There are only so many times you can continue to go to the same well.

As every other year the cost of fielding all our teams continues to head in an upwards direction. It does seem we now have a good operating model and we know where we stand and can quickly jump on to issues before they become full blown catastrophizes. The area we need to continue to improve on is our professionalism. We can at times be very slow off the mark because too much is left to too few. We continue to need support from others, and not just for 1 or 2 years (as these are the learning years) but for many multiple years.

Our sponsorship continued to grow on the level we had made in 2017 and with the continued revamped our Supporter Group packages this continues to be a massive revenue stream for our club. Functions continue to be well attended and with a new social committee we really raised the bar on a number of events. But as always the costs of running such functions is ever increasing and we need to look at sponsorship opportunities when holding these events - whether it be having the events sponsored or holding events at venues that sponsor us. Our profits over the bar while don't look good on paper (even though they are nowhere near the levels we had over the last decade) are staying steady when we consider how we are now using the bars income stream. The Sportsman's Day is now a stable part of our social calendar which is just great. We did take some hits in the area of apparel and this is something we need to address.

I close off with the same message as I do every year. We are a club that runs on support from our members and we can't operate without it. We continue to need help across all revenue lines. I want to continue to thank all those members that help manage those particular lines on behalf of the club. Your contribution and help is something I could not do without!

Thanks to my fellow committee members for their passion and dedication. Here is hoping 2019 improves on 2018.

Regards

Mark Grech

Best Club Person – Dick Hume Memorial Trophy

Debbie Connor was a deserving winner of the Dick Hume Memorial trophy for Club Person of the Year. Debbie works tirelessly year in and year out, across many aspects of the club. From selling footy uniforms, and helping in the canteen and bar.

Debs most amazing attribute is her ability to make everyone feel welcome at the club. From new players and their families, to girlfriends and wives and kids, Deb will always introduce herself and make sure they are part of the club from the first day they step into the clubrooms.

From every job you see Debbie do, there are probably 10 more things that she does that you wouldn't know are done by her! Every home game she makes the salad rolls, she supplies the cut oranges for the teams at half time for every game, she gets uniforms to players who have forgotten it on game day, she makes banners, cleans out the clubrooms, and too many other things to mention! If something needs to be done, ask Deb! Truly, she is a wonder of our great club, and she is one of the reasons our club will always stay great!

Congratulations Debbie!

Senior Most Valuable Player - Michael "Sticka" Redford Award 2019

Ben Dessent

As voted by his peers, Ben Dessent was this year awarded with the Michael "Sticka" Redford MVP award. This illustrious award tops off another fantastic season for Ben who also finished second in the clubs Senior Best and Fairest. We hope 2019 proves to be another outstanding season.

Well done Ben!

Games Record Holder – Brad Connor 459 Games

This year was a memorable one for Brad Connor playing his 459th and final game to set a new benchmark for the most games played a member of the Sunshine YCW/ Sunshine Football Club.

Brad began playing in 1993 as an under 11 and has played for the club for 25 years. Along that journey he has collected many individual club awards for his service, the most notable being Life Membership of the football club in 2010. In 2002 he moved from under age football to open age football and while most supporters will remember Brad as an important player in the reserves, he did manage to play about 60 games in the senior team during the early 2000s. Brad was also a member of the 2008 Reserves premiership and has taken roles off the field including overseeing the Auskick clinic in 2018. Congratulations Brad on your 25 years of service and for being the first player to reach 450 games.

Life Membership Awards

Jenny Schwartz

To most people around the club today Jenny Schwartz is a little unknown even though she still plays an important role behind the scenes. All her hard work over the years was consistently done in the background. Jenny has been a member of our club for over 45 years after meeting her future husband Michael Schwartz at the tender age of 16. She has always been and remains an avid supporter and worker of the Sunshine Football Club. From Canteen Manager and organising social activities in the 70's to helping Michael while the President of the football club (mainly doing his admin work), to washing jumpers, to serving in the canteen, helping players with insurance, and ordering supplies. Jenny was one of the go to people when things needed to be organised in the early 80's. This often meant juggling these roles while working full time and bringing up two small children. After Michael retired from his committee positions, Jenny was still helping, she always was and still is willing to pitch and offer support and assistance whenever called upon. For over the last 10 years Jenny has also held the position as Treasurer for the Sunshine YCW Sports Club. A role that not many know about, but just as important as many others in the operating of the Football Club. This role ensures the ongoing running of the footy clubs facilities are secured and monitored. Jenny monitors the bar financials. She deals with governing bodies, pays the bills and just keeps her eagle eye on the general operations of the Sports club. For over 45 years, Jenny has supported the committee in some way within the club, is always willing to lend a helping hand, and is a worthy Life Member.

Shaun & Tracey Janetzki

Shaun and Traceys involvement with the club began in 2000, when their son began playing in the under 9s. From that moment, Shaun and Traceys commitment to the club has been full on. They jumped on straight away to help wherever help was required. Tracey held the position of team manager for a junior team for 16 years straight! This commitment quickly grew to junior committees and team official roles in whatever teams their sons were playing. From 2008 Shaun took over the role of the clubs junior administrator, a position he held for 8 years, and a position in which Tracey bore a lot of the workload, due to Shauns employment often taking him away from the city, and in no small part, due to her great administration skills, and her particular skill of paying a lot of attention to detail. The junior administrators roles was a full on commitment, with lots of strains and stresses on the people involved, and throughout this Shaun and Tracey were able to continue to steer a tight ship through the issues that can arise from time to time. That Shaun and Tracey navigated all this expertly, and with a minimum of fuss says everything about the type of people they are. They are a great team, who put in an enormous amount of time and their passion and hard work for the club, and in particular the junior part of the club knew no bounds. Although recently relinquishing the junior administrators' role, Tracey and Shaun still find plenty of time to assist in the running of the club. Their commitment to our football club as well as the cricket club really show the passion and love they have for the place, and the fact they still talk to each other, just might be an indicator of the passion and love they have for each other. They are a great team, whose work, passion and commitment never really wavered, and very worthy Life Members.
